

How do we make sure our organization produces breakthrough RESULTS this year?

Make this year your **Best Year Yet®!**

Best Year Yet® is an annual planning and implementation system designed for organizational teams that want focus, alignment, accountability and breakthrough results. This proven method has produced RESULTS for organizations and teams around the world for over 20 years.

The Best Year Yet® process quickly achieves significant, measurable and relevant results by fostering the *Attitudes, Actions* and visible *Accountability* to produce desired results.

Client Quotes

“In the 12 months after creating our first Best Year Yet plan, we increased our asset base by 50% and we are the fastest growing building society in the world. Next month we do plan No. 2.”
Mike Lazenby, CEO, Kent Reliance Construction

“We’re now using [Best Year Yet] for breakthrough planning and organizational transformation.”
Mike Phillips, Director, Software Engineering Institute, Carnegie Mellon University
